LECTURE HALL

A photograph of a solid wood door set in a matching wood frame. The door is a medium-brown color with a vertical wood grain. At the top center of the frame, a small rectangular sign reads "LECTURE HALL". On the right side of the door, there is a silver-colored round doorknob. Near the bottom right corner of the door, there is a small, dark, rectangular object, possibly a lock or a sensor. The door is set against a light-colored wall, and the floor in front of it is made of light-colored, patterned tiles.

WELCOME ALL THE HONOURABLE GUEST MEMBERS
